PUB TYPE Guides - Classroom Use - Instructional Materials (For Learner) (051)

EDRS PRICE Document Not Available from EDRS.
DESCRIPTORS *Demonstrations (Science); Elementary Secondary Education; Science Activities; *Science Experiments; *Science Fairs; Student Research

ABSTRACT

The purpose of the index is to guide students in finding information on thousands of science experiments for investigative projects and science projects for science fairs. Experiments range from simple to complex and are from 1527 books that are both old and new. The nature and range of the projects and activities are appropriate for primary grades and up. The guide includes a listing of subject headings used in the text and an alphabetical index of entries. (DDR)
